The Cook-Pearry matter is about to reach the hair-pulling stage.

EVERY successful man knows what failure looks like—he simply refuses to shake hands with it.

YE summer roses, roses, farewell; but oh, you spareribs, sausage, sweet potatoes, pumpkin pie, turkey, oysters, and etc., of the crisp fall time!

In the Police Court yesterday John Bowler of the county was fined \$50 and costs and given ten days in Jail for recklessly flourishing a revolver in Market street Saturday night. After Mr. Bowler makes good, in either money or work on the highways, perhaps he will be more circumspect when he comes to town and leave his revolver at home. Yancey Case, for a plain how-come-you-so, was let off with \$1 and costs.

Full matter for publication must be handed in before 9 o'clock a. m.

A telegram to the family of Mr. George Easton announced the death this morning of the wife of Dr. J. L. Shirey at Akron, Ohio. Mrs. Shirey was a sister of Mrs. J. J. Easton. Both Mr. and Mrs. Easton, who were visiting in this city, were summoned to Akron recently by Mrs. Shirey's illness and were at her bedside when death came.

A Clean Man

Outside cleanliness is less than half the battle. A man may scrub himself a dozen times a day, and still be unclean. Good health means cleanliness not only outside, but inside. It means a clean stomach, clean bowels, clean blood, a clean liver, and new, clean, healthy tissues. The man who is clean in this way will look it and act it. He will work with energy and think clean, clear, healthy thoughts. He will never be troubled with liver, lung, stomach or blood disorders. Dyspepsia and indigestion originate in unclean stomachs. Blood diseases are found where there is unclean blood. Consumption and bronchitis mean unclean lungs.

Dr. Pierce's Golden Medical Discovery

prevents these diseases. It makes a man's insides clean and healthy. It cleans the digestive organs, makes pure, clean blood, and clean, healthy flesh. It restores tone to the nervous system, and cures nervous exhaustion and prostration. It contains no alcohol or habit-forming drugs. Constipation is the most unclean uncleanness. Dr. Pierce's Pleasant Pellets cure it. They never gripe. Easy to take as candy.

EVENTFUL MEETING CLOSED

Eighty-Third Annual Conference Finishes Its Work—List of Appointments—Rev. Harrop Remains Here

This is the seventh time Conference has been held at Maysville. The first session of the conference in the city of Maysville convened in 1823, ten years after the first Methodist Church building was erected here. This building was dedicated by Bishop Asbury, but the Conference session was presided over by Bishop George.

The other sessions of the Conference were held in Maysville and the officers presiding were, in 1841, J. Stamper; 1855, Bishop Morris; 1861, Bishop Ames; 1879, Bishop Thompson; 1881, Bishop Merrill; 1898, Bishop Nide, and the present meeting, Bishop Wilson.

The final sessions of the Kentucky Conference were held yesterday. It was the day for reports of Committees, there being several to report. Some of them drew out such prolonged discussion that it became necessary to hold an afternoon session.

It was moved by Rev. F. W. Harrop that the semi-centennial sermon preached by Dr. Thomas N. Hanford be printed in The Western Christian Advocate. The motion carried unanimously. Rev. J. W. Zimmerman will have completed fifty years in the Ministry during the coming year and he was invited by the Conference to preach the semi-centennial sermon at the next annual Conference.

The report on condition of our schools showed that Union College at Barboursville and Sandy Valley Seminary were in the best condition in their history.

Dr. David G. Downey, representing the Board of Sunday-schools, appeared before the Conference and stated that if the Conference would pledge its full apportionment to the Board of Sunday-schools, which is but one and one-half per cent. of the total Ministerial support, which amounts to about \$1,400 a Sunday-school, Field

Dr. Cook must have discovered the Pole by degrees.

At Chicago, RUTH BRYAN LEAVITT, daughter of WILLIAM JENNINGS BRYAN, said:

"Whatever you say about me, please don't say I am a suffragette. I loathe the word."

Score one for Cissy.

Nobody but a fool would expect either party, Republican or Democratic, to carry out every pledge made in a National platform; hat is, nobody but Democrats and their cousins-german, the wild-eyed Populists. They stand for the ideal and the perfect (?), and if they ever accomplished anything worth mentioning for the National good it has yet to appear. BRYAN and Bryanism, BAILEY and Baileyism, TILLMAN and Tillmanism, is the sum total and product of Modern Democracy. And then they talk of "consistency." Marse HENRY is a sample of so-called Democratic consistency.

Workers would be placed in the Kentucky Conference in three weeks. The pledge was made by the Conference, they being enabled to do this by the liberal offer made by Dr. R. T. Miller at the Sunday evening service, when he agreed to give dollar for dollar with the Kentucky Conference to the amount of \$500. This move is expected to lead a great impetus to Sunday-school work in Kentucky.

The closing item of business in a Methodist Conference is the question, "Where are the Preachers stationed next year?" The apportionment follows—

Harrop, was read out for Maysville. So overjoyed were they that they could not resist a little applause. The Bishop remarked that they had a right to applaud, and referred to Rev. Harrop in the most complimentary terms. There is general satisfaction everywhere, it seems, on his return.

FREE For "Summer Complaint"

The common ailment of these hot days is "Summer Complaint," or diarrhea. It is very annoying and weakening and upsets the stomach. The cause of the trouble usually lies in food and water, which in the summer time are often laden with germs, but with many it is due to eating too much fruit or to eating over-ripe fruit. Whatever the cause it is not good to take an astringent remedy that binds up the bowels and stops the flow too suddenly, but take a reliable, natural laxative like **DR. CALDWELL'S SYRUP PEPSIN**.

Its antiseptic properties remove the germs which have been causing the irritation. Children like it especially because of its gentle action and pleasant taste. Salts and purgative waters, tablets or pills, act so violently as to weaken you still more, and do but temporary good. **DR. CALDWELL'S SYRUP PEPSIN** is the best remedy you can obtain for constipation, indigestion, summer complaint or summer colic, biliousness, sick headache, etc. All druggists sell it and it costs only 50 cents or \$1.00 a large bottle. It is for all members of the family and should be your household remedy for these purposes.
